About Fazekas

Matt Fazekas is a singer/songwriter living in Boston.

Fazekas was born and raised on Chicago's south side.

Though the Midwest is called home, a lot of time has been spent moving back and forth between Boston and Los Angeles.

For Fazekas, writing music initially began as a personal sort of therapy; as a form of release. Throughout the years, he has compiled a catalog of over fifty original songs and is constantly working on the next.

Mostly self taught, he enjoys playing many instruments including guitar, bass, drums, piano, violin, and the harmonica.

With a gritty voice, meaningful lyrics, and an acoustic guitar, he turns pure emotion into melody.

FAZEKAS' STYLE HAS BEEN COMPARED TO:

Dave Matthews Band **Tom Petty**
Jack Johnson **Dispatch** **Jason Mraz**
Ryan Adams *O.A.R.* **Ben Harper**
John Mayer **Guster**

FAZEKAS

**"There is nothing
pretty about Matt
Fazekas.**

**No fancy bells or
whistles, or gimmicks,
or tricks.**

**His music is pure grit;
heart and soul,**

**with a take it or leave
it attitude, and I think
that's beautiful."**
